*“On behalf of the board of directors, I want to thank Greg for his years of dedicated and exemplary service to the Company, including his tenure as Roscan’s president and CEO,”* said Nana Sangmuah. *“Furthermore, on a personal note, I would like to thank Greg for his mentoring and assistance through the critical steps for long-term profitable growth. As we continue on that course, Greg will remain with Roscan and play a valuable role as a strategic advisor, QP, and non-executive director, thereby continuing to bring to bear both his considerable geological and exploration expertise, as well as his west African relationships.”*

Mr. Sangmuah added, *“I want to congratulate Bruce on his appointment as Executive Vice President in addition to his role as CFO, as he continues to combine strong financial abilities with operational expertise.”*

*“It has been a very heartening journey for me at Roscan, and one that I will continue to enjoy.”* said Mr. Greg Isenor. *“I am pleased to have been able to induct, assist and transition Nana into the CEO role and am happy to be surrounded by such a strong and capable Board of Directors and Management team, led by Sir Sam and Nana, to help take Roscan to the next level of development.”*
